

EZ VIDYA , Chennai, 2007 - 2010

OUR WORK

Wipro Cares partnered with EZ Vidya to develop a unique curriculum for the school children. The objective behind this curriculum was to provide the right learning initiative to the students of the Olcott Memorial School, Besant Nagar and TVK School, Anna Nagar. The learning programs were conducted on a weekly basis by Wipro Cares Chennai volunteers and facilitated by co-coordinators from EZ Vidya.

IMPACT

- 100 students (about 50 from each school) benefited from the holistic learning program
- Interacting with Wipro employees brought in a personal and different perspective for the students

DETAILS

EZ Vidya is an organisation that works towards providing quality education products and services. Their vision is to create an effective and engaging learning environment, where learners learn with joy and involvement, leading to enduring understanding and self-discovery.
